President Report:

With the exception of the Macarthur Awards it has been a rather quiet month. I would like to take this opportunity to congratulate the prizewinners of the prementioned event. They are Sandra Kelly, George Czenda and Savannah Law. Well done not only those people but also all who entered the competition. Also a big thank you to those of our members who entertained the folks at the nursing homes and retirement villages over the last month: South Coast Country Music Club is holding their thirteenth annual country music awards which is being held on the 16th, 17th & 18th July at Dapto Leagues Club. Good luck to all those who have entered the awards and remember the most important thing of all is to have fun.

Our thoughts and prayers are with Linda Jenkins as she is to be admitted to hospital this week for a series of three operations on her spine. We do hope that everything goes well for you Lulu and that the desired result is achieved from these operations.

Thank you to Seymour Costello for repairing our Mic Stands.

Yours in Country Music

Michael Heffernan

Secretary's Report:

I would also like to congratulate all our members who performed at Macarthur Music Awards you all did our club proud, please see the all names of the winners below.

The club will be holding the AGM on the 27th Septmber so please start thinking about who you would like to nominate to be on the committee, remember if we don't have acommitte we don't have a club.

Now that we have excess equipment the club will be selling off our equipment that we no longer require, if any member is interseted in purchasing anything please come & see a committee member. We will be needing member to help out at our next Buunings B.B.Q in August if you can spare an hour or two please let us know.

From my Desk Colleen

Night out Report:

Our June night out was very successfull again. The usual bunch descended on the quaint woodfire pizza Antico, in Struggletown (Narellan).The food was excellent.The place is two storey and we took up almost the whole ground floor space.As a BYO restaurant, we were a bit surprised at a corkage fee of \$2.50 per glass.Hmm so if 3 people shared a bottle of wine, that means a profit of \$7.50.That was the only hiccup for the night and a great time was had by all. The little wooden cows outside provided a bit of fun on our way to the carpark.

Next night out will be on Wednesday 14th July at Isabelle's pizzeria in Leumeah (It's near the skate park.), if you are intending to go, a form will be on the desk for you to put your name on. Don't forget, if you have any suggestions as to venues for us to try, let me know & I will check it out.

Could all members when you finish your cuppa please wash, dry & put them back in the box, as it is not fair on other members to do it for you.

Thanks from the Committee

Notice from the Sound Desk:

If any member is interested in learning the sound desk please let us know, it is good to have a back up person just in case our regular soundman is away

Could all performers do a sound check before they sing, so the sound person can do a check at the desk, also if the band members could do one as well?

Please note that no member is to interfere with the sound desk or the fold back speakers on stage, the sound person will do any adjustments from the desk. Thanks Michael

Musicians:

To all musicians who play on a meeting nights, at all times there must be **ONLY** one of the same instruments on stage at any one time. If there are other members who play the same instrument please work out something with them so everyone has an equal time on stage, please also remember that performers can request musicians to play for them.

From the Committee

REMINDER to All Members:

If any members have any issues on how the club is run, you need to put your concern in a letter which **MUST** be signed & handed to the secretary, so your concerns can be table at a committee meeting, this also includes if any members have an issue with another club member, remember if the committee is not aware of your issues they can't fix them.

Committee Meetings:

Members Profiles: We would like to update our web page, so if any member would like to have their profile added to the page please see Colleen, we now have forms available

Start Time Monday Night:

Setting up!! We need to start on time so if everyone could help set up before you have a chat it will mean that more members can have a second go.

We also need members to stay back & help pack the equipment away or ladies we need helpers to do the kitchen, if we all get in to help it would make it a lot easier on everyone, thanks to all members who help to set up each week. All performers to have their names down on board & be ready with your charts when it is your turn, this way we can get more members up to perform, could all members not step over the speakers at the front of stage but use the bridges that we now have.

Thanks
