**President Report:** Plans are underway during the past month for the CVCMC AGM. As announced over the past few weeks at our weekly meetings a request for new committee members is sought. For those who wish to nominate a member to serve on the committee for September 27 AGM pick a nomination form at the desk during the coming weekly meetings

**Carrington Spring Fair 14 August 11.15 AM to 1.30pm** All members to be at Carrington prior to show starting 10.30am. This should allow time to set up sound equipment and sound check the PA. On arrival members are to put their names on the list provided. This will be the order of performance for the show. Please note that all band equipment must be cleared within 15 minutes to make way for the next band performance

**BUNNINGS BBQ Sunday 29 August** We need support for this event as some of our regular BBQ helpers are not available on the 29th. You only need to turn up for as little as one hour. Funds raised will be important in providing insurance cover for public liability and equipment. This event also assists in providing our annual Christmas party at no cost to members. So don't leave it all up to the same people who always turn up and join the BBQ crew at Bunnings Narellan. It kicks off at 8.30am and as I've said before we have a lot of fun on the day and it's an opportunity to get to know your fellow members a little better.

On behalf of the club I would like to extend our very best wishes and thoughts to Linda for successful recovery from her recent surgeries.

To Tom and Denise we wish you Bon Voyage and hope that you have a very enjoyable trip to England and surrounds.

To our new members David Mac and Mark Peagam welcome to the club.

Keeping it country  
Michael Heffernan (President)

### Secretary's Report:

I would also like to congratulate our members who performed down at the South Coast Music Awards you all did our club proud, well done once more to George Czenda & Savannah Law on there placing: Senior Gospel 2<sup>nd</sup> Place Savannah Senior Country Rock 1<sup>st</sup> Place Savannah Open Duo 3<sup>rd</sup> Place Savannah Law and George Czender. Congratulations to you both.

The club will be holding the AGM on the 27<sup>th</sup> September so please start thinking about who you would like to nominate to be on the committee, remember if we don't have a committee we don't have a club. Remember only financial members will be permitted to vote at the AGM so hurry up and get financial, if you haven't already.

Now that we have excess equipment the club will be selling off our equipment that we no longer require, if any member is interested in purchasing anything please come & see a committee member.

The club has been asked to do a B.B.Q at Bunnings on Thursday 2<sup>nd</sup> September, they have also so asked if we can provide a bit of light entertainment, more details to follow

## Carrington Spring Fair

Thanks to all members who have place their name down to perform at Carrington, if all members could arrive early to help set up & pack away as we only have 15mins between each performance, as all hands make light work.

Even if you are not performing come along as it is a great day out

Thanks Colleen

**Members Help:** On a Monday night if **ALL** members could help at the end of the night with cleaning the kitchen, packing up etc it would make everyone's job a lot easier, don't leave it to the same members to do each week.

Could all members when you finish your cuppa please wash, dry & put them back in the box, as it is not fair on other members to do it for you.

Thanks from the Committee

**Wanted:** A Yamaha DD6 Drum Machine if anyone or you know someone who has one for sale could you contact Joan Ingram on 0412902619

### **Notice from the Sound Desk:**

If any member is interested in learning the sound desk please let us know, it is good to have a back up person just in case our regular soundman is away

Could all performers do a sound check before they sing, so the sound person can do a check at the desk, also if the band members could do one as well?

Please note that no member is to interfere with the sound desk or the fold back speakers on stage, the sound person will do any adjustments from the desk. Thanks Michael

### **Musicians:**

To all musicians who play on a meeting nights, at all times there must be **ONLY** one of the same instruments on stage at any one time. If there are other members who play the same instrument please work out something with them so everyone has an equal time on stage, please also remember that performers can request musicians to play for them.

From the Committee

### **REMINDER to All Members:**

If any members have any issues on how the club is run, you need to put your concern in a letter which **MUST** be signed & handed to the secretary, so your concerns can be table at a committee meeting, this also includes if any members have an issue with another club member, remember if the committee is not aware of your issues they can't fix them.

### **Committee Meetings:**

If any member would like to attend our meeting you must send a letter to the secretary 7 days prior to meeting stating the reason why you would like to attend, then the committee will respo to advise you if you can attend. Our meetings are held the 2nd Tuesday of the month.

**Members Profiles:** We would like to update our web page, so if any member would like to have their profile added to the page please see Colleen, we now have forms available

### **Start Time Monday Night:**

Setting up!! We need to start on time so if everyone could help set up before you have a chat it will mean that more members can have a second go.

We also need members to stay back & help pack the equipment away or ladies we need helpers to do the kitchen, if we all get in to help it would make it a lot easier on everyone, thanks to all members who help to set up each week. All performers to have their names down on board & be ready with your charts when it is your turn, this way we can get more members up to perform, could all members not step over the speakers at the front of stage but use the bridges that we now have.
