President Report: On Saturday 14th August C.V.C.M.C. once again entertained at the Carrington

Fair. The large crowd attendance provided great atmosphere on the day.

Thanks to all performers on the day including Sound, Band, Singers and road crew.

A recommendation has been put forward that rehearsals for future shows be put in place and a Co-Ordinator be appointed to organize the programs.

The Bunning's BBQ once again proved to be a huge success at the new Narellan Store. Good attendance from some of our members made it a very good fund raiser for our club and provides much needed funds for such events as our Christmas party, required insurances, trophies etc. Many thanks to those of you who attended and supported us on the day!!!!

Bunnings have offered our club another BBQ in December, date yet to be decided. It would make a nice change if those of you who

N E V E R come along to one of these Bunning's BBQs but are happy to come along to any event where everything's provided by the club would come to at least one Bunning's BBQ per year instead of the same stalwarts that are there at every Bunning's BBQ and help out for as little as one hour.

Keeping it country

Michael Heffernan (President)

Secretary's Report:

Hi Everyone, Gee where did August go!!! Well the warmer weather is coming so we can start maybe doing some picnic throughout the warmer months any suggestions let us know.

I would just like to remind all memebtrs that you must be at the meeting before your name is placed on the board, as this is not fair to other members who are already there, & maybe helping setting up before they can place their name on the board, it is ok if you are in the hall & you ask someone to place your name down.

Another big thank you to members who went along to help at Bunnings on the 29th August, this was one of our better days at Narellan, we raised over a \$1000 on the day a job well done by everyone.

Thursday the 2nd September saw us once more back at Bunnings but it was a very big difference to the Sunday, thanks to Margaret & Ross who entertained the shoppers as well as us, you both did a great job, thanks to George, Rhonda & myself for doing the BBQ & also to Don & Dennis who were there to give us support. Bunnings have offered to give us another BBQ maybe in December, so if you can help come along as it is a great day even though you are runned of your feet.

From my Desk Colleen

Carrington Spring Fair

Thanks to all members who performed on the day, we couldn't ask for a better day the weather was excellent, & the music was great with many people stopping & listening to us & making enquires about our club.

Thanks Colleen

Members Help: On a Monday night if **ALL** members could help at the end of the night with cleaning the kitchen, packing up etc it would make everyone's job a lot easier, don't leave it to the same members to do each week.

Could all members when you finish your cuppa please wash, dry & put them back in the box, as it is not fair on other members to do it for you.

Thanks from the Committee

Notice from the Sound Desk:

If any member is interested in learning the sound desk please let us know, it is good to have a back up person just in case our regular soundman is away

Could all performers do a sound check before they sing, so the sound person can do a check at the desk, also if the band members could do one as well?

Please note that no member is to interfere with the sound desk or the fold back speakers on stage, the sound person will do any adjustments from the desk. Thanks Michael

Musicians:

To all musicians who play on a meeting nights, at all times there must be **ONLY** one of the same instruments on stage at any one time. If there are other members who play the same instrument please work out something with them so everyone has an equal time on stage, please also remember that performers can request musicians to play for them.

From the Committee

REMINDER to All Members:

If any members have any issues on how the club is run, you need to put your concern in a letter which **MUST** be signed & handed to the secretary, so your concerns can be table at a committee meeting, this also includes if any members have an issue with another club member, remember if the committee is not aware of your issues they can't fix them.

Committee Meetings:

If any member would like to attend our meeting you must send a letter to the secretary 7 days prior to meeting stating the reason why you would like to attend, then the committee will respond to advise you if you can attend. Our meetings are held the 2nd Tuesday of the month.

Members Profiles: We would like to update our web page, so if any member would like to have their profile added to the page please see Colleen, we now have forms available

Start Time Monday Night:

Setting up!! We need to start on time so if everyone could help set up before you have a chat it will mean that more members can have a second go.

We also need members to stay back & help pack the equipment away or ladies we need helpers to do the kitchen, if we all get in to help it would make it a lot easier on everyone, thanks to all members who help to set up each week. All performers to have their names down on board & be ready with your charts when it is your turn, this way we can get more members up to perform, could all members not step over the speakers at the front of stage but use the bridges that we now have. Thanks
